

East-Hampton June 4<sup>th</sup> 1768  
Rev. and very dear Sir

after most cordial Salutations

Thise inform I received your favour of the 28<sup>th</sup> a few  
Days since when you was in York. - I rejoice greatly  
to hear of the Kindness of our God toward You. - May  
the divine goodness and Mercy ever attend you! I am  
almost impatient to hear that you are safe from danger  
by the small pox. I suppose you have much respect  
shown you and you know for what reason - you had some  
times the story of much that must have a due Ballast. I was  
lately thinking my brother what you had to be proud of  
and could only think of this viz that you are a man who  
was born a Pagan. I trust your guardian God will keep  
you at his adorable foot stool. - I have lately published  
a Narrative of the Lord's wonderful Work of grace among  
us in this Day of the Redeemed conquest and Triumph.  
This would send you one but some Gentleman in a York  
I am informed has bought 1000 to send to England so  
that you will doubtless have or see one. We still enjoy  
John of the Lord's gracious Presence with us here, and  
have abundant Confirmation of a most glorious Work of his  
sovereign Grace among us. you and all Friends will pray  
for us and help us Pray. - your kind Mother  
was at my sleep last Week informs that she lately heard  
from your Wife and Family so that they were all in  
Health. - I am in general well. - I hope to receive  
her me with proper Salutations to Rev. Brother Whiteley  
and all Friends that inquire after me. - my prayers  
send you much Love. - May the Lord Jesus be with  
our Spirit & Bless us all. I have Time only to say  
I am my dear Brother ever yours in the Lord of Love  
Samuel Buck

If let me hear from you as often as you can - and you will  
be a true Friend - Yours at and 1768  
For Rev. Mr. Stann.
