

Hyde Park

March 26. 1889

Dear friend: University of Southern California

Excuse me for de-  
 laying my reply to yours of  
 the 4<sup>th</sup> last month this long  
 day. I have inquired into  
 the subject of your letter &  
 find that matter after the  
 22<sup>nd</sup> of April next a meet-  
 ing in the interest of the Dis-  
 sident movement could  
 hardly be made a success.  
 The Prohibition Amendment to  
 the Constitution is absorbing  
 the best & care the attention of  
 Hyde Park as of the state.

I called Torie to see Mr. White  
 but did not catch him in his

office.

3-1889

I shall be glad to do what I can toward  
a meeting of the single sex people in  
this town. Of course I need hardly add  
that I shall be pleased to welcome both  
Mr. Garrison & yourself or the female  
speakers of the evening should that may be.

Faithfully & respectfully,

A. H. Grinnick
