Dear Dr.:

I have just read the
associate Press dispatch
from Chattanooga & do not
understand just what mo-
tion prevailed but infer
that the Assembly sustain-
ed Charleston Presby. in to
the extent of interpre-
tating that Heliovanance
is not opposing them
criticism of Assembly.

See "Thornwell's Life &
Letters" by Palmer Page, 369.

If the Assembly means
to deny that right I
think agitation has not
ended -

Very truly

Yrs, Reed
