Levi W. Jones,

GOSPEL HYMNS
IN THE
NEZ PERCE LANGUAGE.

STATE COLLEGE
LIBRARY
WASHINGTON

Isabel L. Ayte

INTRODUCTION.

This partial collection of the Hymns in the native language, which are used in the Nez Perce Churches, has been made with the help of Miss Kate C. McBeth and the invaluable aid of Mr. Levi W. Jonas, the native Nez Perce S. S. Superintendent of the First Church, Kamiah.

The translations are like way-marks in the course of the Nez Perce Christian life, and illustrate precious seasons of Revival enjoyed by the people from time to time, since the beginning of the mission, under the care of the Rev. H. H. Spaulding, in 1837, to the latest reported, at the Christmas Season of 1896-7, when the "Pentecostal" hymns were translated by the present native Pastor of the First Kamiah Church, the Rev. James Hayes, and by Mr. L. W. Jonas.

Many of the more familiar hymns were translated and the translation adapted to the "Gospel tunes," by the Rev. Robert Williams, the first Pastor of the First Church, Kamiah, a native Nez Perce, and a brave, consecrated Christian, who, with heroic Faith, led his people triumphantly through their early struggles with heathenism, and who well deserved the title of "The St. Paul of the Nez Perces," given him by Miss S. L. McBeth.

To the blessed memory of this true servant of God, and to the memory of all those who stood so faithfully with him in the perilous times and painful experiences which have characterized the history of the First Church of Kamiah, this little book is dedicated, in the Love of Christ, our Lord.

“—Here are some more copies (of the hymns.)

Many others are not written out yet because I know not the songs as well as the older people know them, so I have to get them to help me and as they sing them I write them down.”

This above is an extract from a letter written by Levi Jonas, with its
Naz Puro rendering; he died before the work was completed.
